

- Extremely solid.
- Realistic proportion between weight and length.
- Supplied with solid rubber boots.
- Can be handled in a very realistic manner.

### Product details

The dummy can be handled very realistically. It is suitable for high altitude rescues with a harness. The dummy is wearing a strong overall. The dummies are supplied with solid rubber boots. The rubber boots can be replaced separately if damaged.

This Offshore manikin by Ruth Lee has a realistic proportion between length and weight.
