- Including a plastic box measuring 60*40*34 cm.
- Connect to a water tap and external compressor (not included)

Product details

Fill practice extinguishers yourself

With the FireWare Neptune you can easily fill your own FireWare training extinguishers. Connect the airhose to an external compressor (not included) and connect the hose to a water tap. Now connect the practice foam tank and start filling 1- 3 training extinguishers simultaneously! You can choose if and how much foam you wish to use simply by opening valve between 0 to 100%. It works all mechanically, so no electronics inside. The Neptune is supplied in a stackable plastic box of 60 x 40 x 32.5 cm complete with 5L practice foam.
