FIREWARE
CREATING REALISTIC TRAINING ENVIRONMENTS

Traditional Flame Sign

- Sign to indicate fire.
- Printed one-sided
- Suitable for practicing based on simulation.
- When realistically simulated fire is undesirable.
- Scratch and weatherproof screen print.

Product details

The Flame Sign is a sign with the image of a flame. The sign indicates there is fire at a certain location and is suitable for practicing based on simulation. The sign can also be used in locations where no other form of simulated fire is desired, for example in an ATEX environment. The practice sign contains a scratch- and weatherproof screen print.
