Product details

The Traditional Blockade Sign is a sign containing a marking. The sign indicates that a certain location is blocked and is suitable for practicing based on simulation. The sign can also be used when there is no time or possibility to barricade all the passageways in a room realistically.

The practice sign contains a scratch- and weatherproof screen print. Holes are made in the upper corners of the sign. As a result the sign can be fastened easily. Easy to place in a Plastic Box 60x40x9 cm (excluded) per 10 pieces.
