Product details

Combine with the Vesta extinguishing trainer for a fire in a garbage bin

The add-on garbage bin is an accessory for the FireWare Vesta. This bin can very easily be positioned on top of the extinguishing trainer. An interchangeable lid allows for the practicing of extinguishing techniques with an open and closed bin.

The clever design allows for this attachment to be easily packaged and moved in the plastic box supplied. The box has very handy transport measurements of 60*40*44 cm. Produced using top quality stainless steel.
