

- Can be positioned on top of the Vesta.
- Desktop PC, keyboard and screen.
- Top quality stainless steel.
- Including a plastic box measuring 60\*40\*32,5 cm.

### Product details

#### Combine with the Vesta firetrainer for simulating a burning computer.

The Add-on Computer is an accessory for the FireWare Vesta. This Computer can easily be positioned on top of the extinguishing trainer and offers challenging extinguishing training! Ideal for training scenarios in offices.

The clever design allows for this attachment to be easily packaged and moved in the plastic box supplied. The box has very handy transport measurements of 60\*40\*32,5cm. Produced using top quality stainless steel
